

2017 High School Outreach Scholarship Program

Consolidated School of Business is proud to offer the High School Outreach Scholarship. Eligible applicants will be 2017 high school graduates from Lancaster or York area High Schools.

Each year both Lancaster CSB and York CSB offer outreach scholarships to area high school seniors who plan to enter CSB in pursuit of an Associate in Specialized Business degree.

Each campus will award six need-based and/or merit-based scholarships equal to fifty percent (50%) of the total tuition* for each academic year of an ASB degree program.

Scholarship Details:

- Six (6) scholarships per campus will be awarded.
- Recipient must enroll as a full-time student in a CSB Associate in Specialized Business (ASB) degree program, maintain 80% or better classroom attendance, and meet or exceed CSB's minimum academic progress standards as outlined in the CSB catalog.
- A recipient failing to meet any term or condition in any academic term will be placed on probation. Any additional failure to meet any term or condition in any future academic term will result in the forfeiture of all future scholarship payments. A student may appeal the loss of any scholarship due to extenuating circumstances through a written appeal to the Financial Aid Director for review by the Financial Aid Director in consultation with the School Director. A student may appeal their decision to the Vice President for final review.
- Scholarship value will be up to 50% of total tuition* for an ASB degree program, awarded on an academic year basis and prorated on a term-by-term basis.
- Recipient must begin classes no later than December 04, 2017.
- All books and program fees will be the responsibility of the student.
- Student must meet the criteria as outlined on the CSB High School Outreach Merit-Based/Need-Based Scholarship application.
- An independent review panel will select the scholarship winners from the applicant pool.
- Please complete the appropriate application(s) on the following pages. Deadline for receipt of the application by CSB will be April 15, 2017.
- An independent panel will review all applications and make its selection by April 30, 2017. Recipients will be notified by mail.
- Recipients will have fourteen (14) days to notify CSB of their acceptance of the scholarship. If a recipient chooses to decline the award or fails to notify CSB within the required time frame, the committee will award that scholarship to the next highest qualifier.

*The value of the scholarship will be 50% of the total tuition charge for each academic year except where the total of the CSB scholarship combined with any other grants would exceed the total cost of tuition for an academic year, in which case the CSB scholarship would be reduced accordingly. However, in no case would the total value of the scholarship be less than 25% of the full tuition of an academic year for an Associate in Specialized Business degree.
